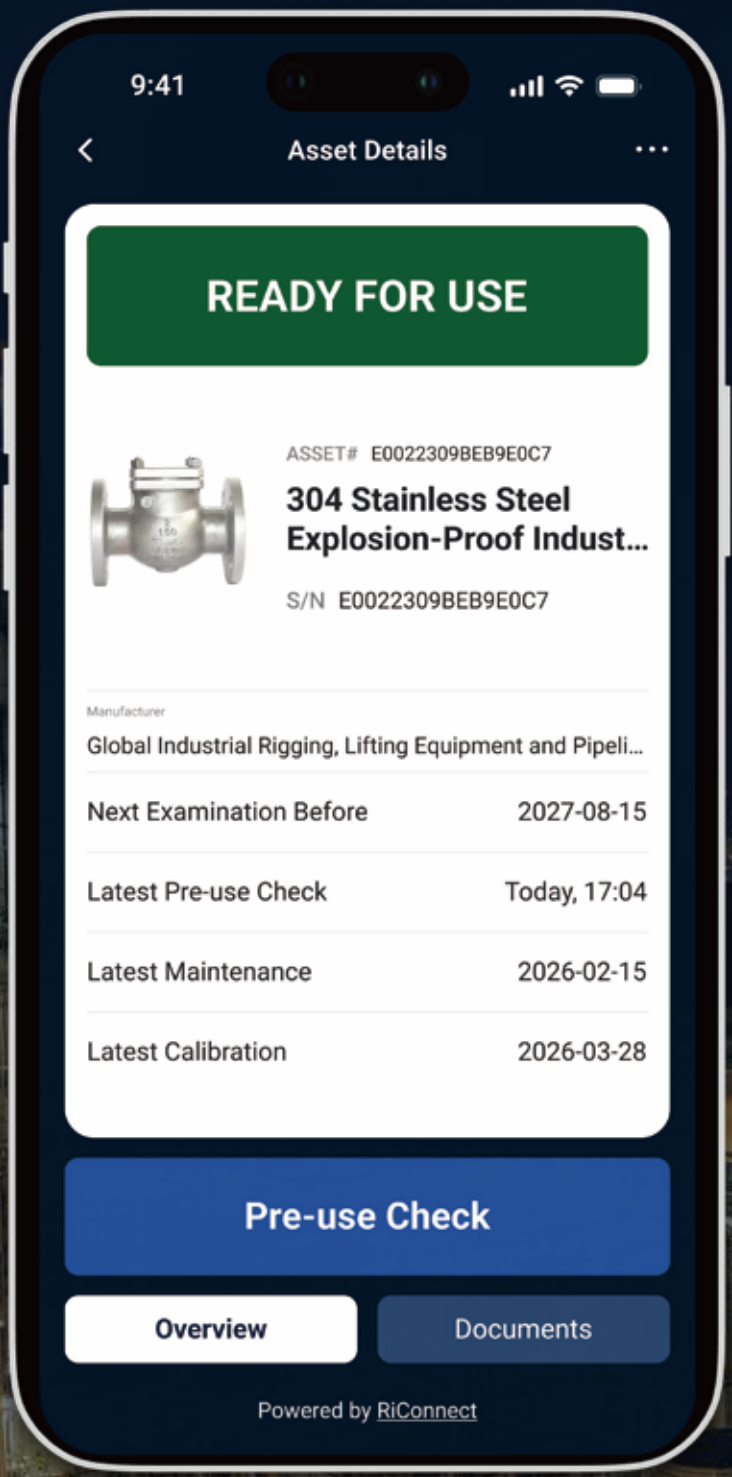
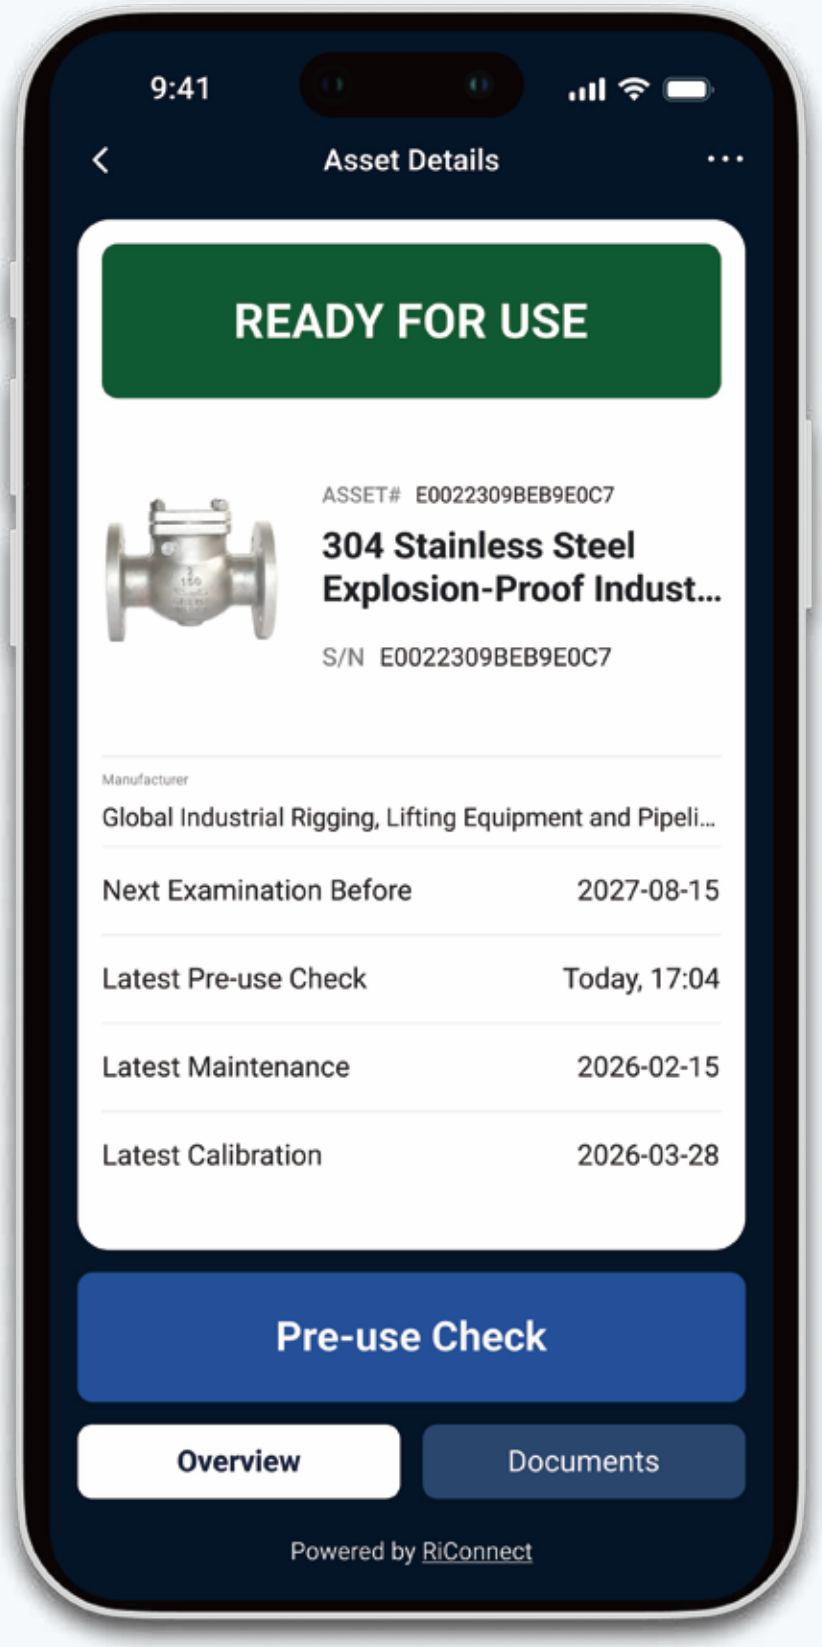
DIGITAL ASSET INTEGRITY



Brochure No. 00060 DAI

KNOW WHAT'S READY.
ACT WITH CONFIDENCE.



KNOW WHAT'S AT RISK.
ACT BEFORE INCIDENTS.

COMPLIANCE BUILDS TRUST.

When asset status, records and responsibilities are visible, everyone can act with confidence.

MANAGEMENT CONFIDENCE

Real-time visibility helps leaders make better, faster decisions.

OPERATIONAL CONFIDENCE

Teams know the right assets are ready, safe and compliant.

WORKFORCE CONFIDENCE

Clear tasks and reliable information promote safer daily work.

CUSTOMER CONFIDENCE

Trusted records strengthen customer relationships and performance.

AUDITOR CONFIDENCE

Complete, traceable evidence simplifies audits and builds assurance.

STAKEHOLDER CONFIDENCE

Transparency and accountability increase stakeholder trust in your business.

ONE PLATFORM. ENDLESS VALUE.

- Improve asset integrity
- Reduce risk and downtime
- Strengthen compliance
- Drive operational excellence

RiConnect turns every asset activity into trusted, traceable evidence – so you can operate safely, stay compliant and perform with confidence.

READY IN DAYS. NOT MONTHS.

No migration. No replacement.
API-connected. Sandbox included.
Start simple. Scale with confidence.
