

**Test & Measurement**  
**Solutions**

## Test & Measurement Division

John Morris Group specialises in the supply, installation & servicing of precision instruments & consumables. The Test & Measurement Division provides state-of-the-art test & measurement solutions for a wide range of industries including Aerospace & Defence, Power & Energy, Automotive, Transportation, Mining & Industrial sectors.

	Civil/Seismic Testing	Hybrid Simulation	Fatigue Testing	Geomaterials Testing	Ground Vehicle Testing
					
	System Controllers & Software	Data Acquisition Units	Hydraulic Power & Distribution	Servohydraulic Test Actuators Testing	Extensometers
					
	Test Accelerometers & Software	Microphones	Pressure Sensors Distribution	Impact Hammers Test Actuators Testing	Strain Sensors
					
	Load Cells	Torque Transducers	Cables Sensors Distribution	Signal Conditioners	Preamplifiers
					
	Industrial Accelerometers	4-20 mA Transmitters	Vibration Switches	Cables	Enclosures
					
	Accelerometers	Signal Conditioners	Supportive Instrumentation	Cables	Pressure Transducers
					

# Test & Measurement Solutions

	Portable Vibration Calibrators	Vibration Shakers Modal Exciters	Calibration Systems	USB Accelerometer	Digital ICP - USB Signal Conditioners
					

	Single Channel Telemetry	Multi-Channel Rotor Telemetry	Rotor Health Monitor AT-8300	Wind Turbine Monitoring	Rotor Telemetry
					

	Electro-Dynamic Shakers	Head Expanders & Fixtures	Mono Base Slip Tables	Environmental Test Chambers	
					
	Dynamic Signal Analysers	Hand-Held Data Collectors	Vibration Test Controllers	Machine Vibration Monitoring Devices	Software Modules
					

	Pressure Scanners	DSA5000	Thermocouple Scanners	ERAD4000	Pneumatic Connectors & Tubing
					

### **Australia**

Address 61-63 Victoria Avenue  
Chatswood, NSW 2067

Toll Free 1300 501 555

Email [info@johnmorrisgroup.com](mailto:info@johnmorrisgroup.com)

### **New Zealand**

Address 18 St Benedicts Street,  
Eden Terrace, Auckland, 1010

Toll Free 0800 651 700

Email [info@johnmorrisgroup.com](mailto:info@johnmorrisgroup.com)
