Exceptional food . . . exceptional service!

Our Story..

Founded in 1990, Gulli Food Distributors has grown from a humble local operation into a leading force in the Australian food industry, inspired by a genuine passion for exceptional food and outstanding service. While our business has evolved, our core values remain unchanged—quality, authenticity, and an unwavering commitment to our customers.

Today, Gulli Foods offers a carefully curated portfolio of more than 5,000 high-quality products from leading local and international brands, including artisan cheeses, gourmet smallgoods, premium butchery items, authentic Italian pastas, antipasto, beverages, alcohol and coffee. This extensive portfolio positions Gulli Foods as a true one-stop supplier for retailers and foodservice partners.

More than a distributor, Gulli Foods is a trusted partner to many of the world's leading food and beverage brands. Our carefully curated range has established us as a true "House of Brands", providing customers with access to premium local and international products, innovation and expertise through a single, reliable supplier.

At the heart of our growth is our people. Every member of the Gulli Foods team plays an integral role, contributing to a warm, family-driven culture that celebrates and shares the joy of food. This spirit shapes every relationship we build and every delivery we make.

Proudly Australian, we continue to honour the flavours that sparked our beginnings while delivering the innovation, scale, and reliability our partner's trust.
