

Premium Nuts & Expert Roasting Bold Flavour, Trusted Origin

At GT Food, we combine generations of expertise with modern, local production. Whether you are sourcing the world's finest nuts or looking for a roasting partner to perfect your own product, we deliver unmatched freshness and quality

Our Premium Nut Range

We've expanded beyond our heritage pistachios to offer a comprehensive selection of premium nuts, sourced from trusted growers and handled with care.

The Full Selection

Pistachios, Almonds, Cashews, Walnuts, Macadamias, Dried Figs and more.

Preparation Styles

Raw for your own processing or roasted for immediate use.

Custom Flavours

Choose from natural profiles or our signature varieties like Saffron

Supply Options

Scalable solutions for retail packs and bulk industrial supply.

Professional Roasting Services Your Product, Our Precision.

Utilising the same high-standard methods we use for our own range, we offer contract roasting services to help your business grow.

Precise Batch Methods

We use specific roasting protocols designed to lock in natural crunch and deep flavour.

Roasted Fresh in Australia

All services are performed locally to ensure the shortest time from roaster to shelf.

Quality You Can Trust

We treat your product with the same "generations of expertise" we apply to our heritage harvests.

Expert Seasoning

Access our expertise in seasoning and flavour application to create a standout product.

At GT Food, our customers are our mates. We grow together, support each other, and share success. If you win, we win.
