

Beyond

Big or small, Beyond fits it all.

The POS that powers hospo.
Fast, flexible, and built for
venues that never slow down.

Pocket-sized power.

From tableside orders to bar service, **Clover Flex** is your all-in-one handheld POS.

- 6" touchscreen for easy ordering and payments
- Built-in receipt printer, barcode scanner, and camera
- Accepts all major cards, including tap, chip and mobile wallets
- Connects via Wi-Fi, 4G, or hotspot, so you can take payments anywhere

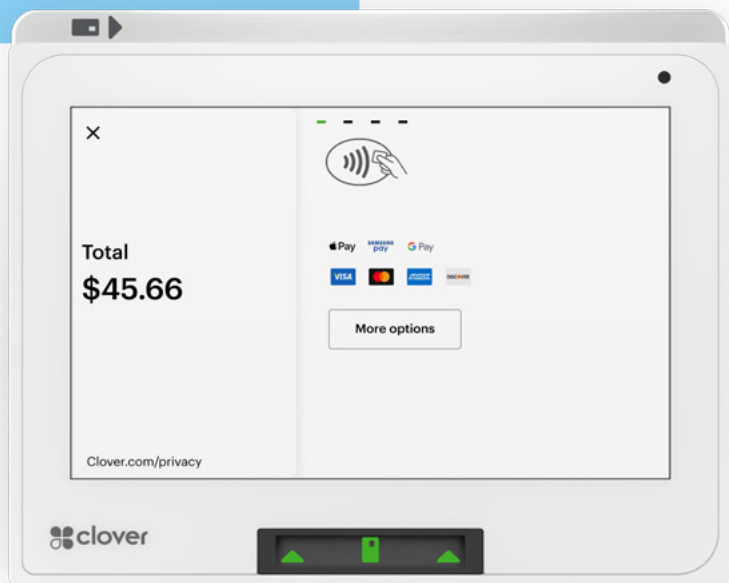

Perfect for fast-moving staff who need freedom without losing speed.

Small device. Big impact.

Compact but fully capable, **Clover Mini** is the countertop workhorse that doesn't crowd your space.

- 8" high-resolution touchscreen
- Accepts chip, tap, swipe, and mobile payments
- Connects via Ethernet, Wi-Fi, or optional 4G
- Expandable with apps for staff management, reporting, and inventory

Ideal for cafés,
restaurants & bars
where counter space
is at a premium.

The duo built for busy venues.

Two screens, double the efficiency. **Clover Duo** makes every transaction smooth for staff and guests.

- 14" merchant touchscreen plus 8" customer-facing display
- Integrated card reader and fast receipt printing
- Manage orders, inventory, staff, and reporting in one hub
- High-speed Ethernet or Wi-Fi connection for always-on reliability

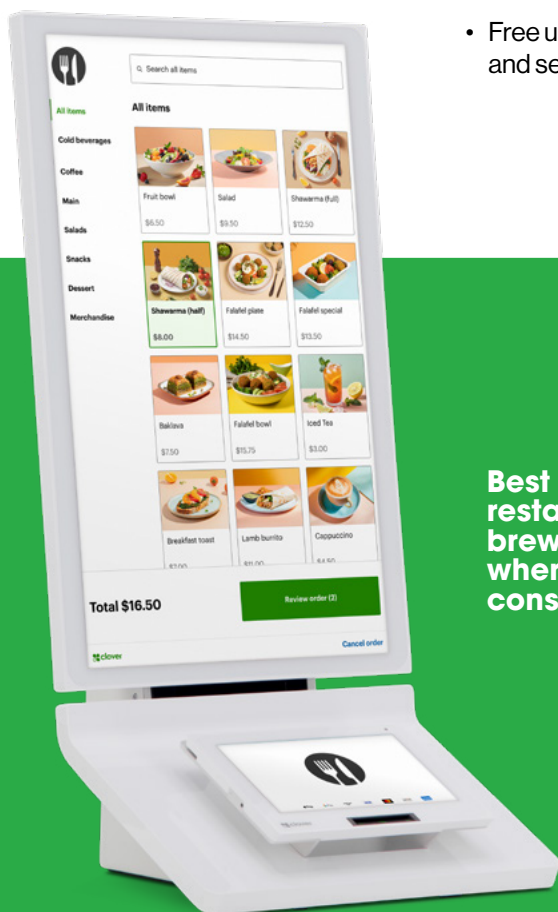

Perfect for high-volume venues like pubs, clubs & restaurants where queues need to move fast.

Let customers take the lead.

Cut wait times. Eliminate errors. Drive revenue. **Clover Kiosk** is the always-on ordering station designed for hospitality's busiest hours.

- 24" full HD touchscreen with intuitive interface
- Built-in card reader for tap, chip and mobile wallets
- Customisable menu display and upsell prompts
- Free up staff to focus on food and service

Best for quick-service restaurants, food courts, breweries & venues where self-service drives consistency and growth.

One family. Endless possibilities.

Flex, Mini, Duo, Kiosk — together,
Clover is the complete POS
ecosystem for hospitality.
Mix and match to suit your venue,
and know everything syncs
seamlessly across devices.

Take payments, manage
stock & streamline service,
all in one connected system.

Always on support.

Real people,
right here in Australia.

Our local team is available 24/7 to keep your venue running smoothly — no offshore call centres, just hospitality-savvy support when you need it.

Keep more of every sale.

Ultra-low processing rates,
without the hidden fees.

When every transaction affects your margin, the right rate matters. Beyond helps your hospo business keep payment costs down with sharp, transparent pricing.

Same day settlement.

Cashflow you can count on
— 365 days a year.

Get your takings paid out the very same day, even on weekends and public holidays.

Plug & play setup.

Fast to set up.
Simple to scale.

Whether you're running one café or rolling out across multiple venues, Beyond makes getting started quick, clear, and stress-free.

Powered by people. Backed by tech.

At Beyond, we believe hospitality isn't just business — it's a community. That's why we pair world-class Clover POS with local support that truly understands your venue.

For more than a decade, Beyond has been helping Australian businesses simplify payments, save on fees, and unlock growth. Backed by global technology and trusted by thousands of merchants nationwide, we're here to make business bold, approachable, and human.

BRISBANE
LIONS

“On game day, every moment matters. With Clover, staff serve quickly and confidently, and even during a network outage at the AFLW season opener, transactions kept flowing and the atmosphere never missed a beat.”
