

Optimize formulations with the right texture solutions

At Ingredion, we offer the broadest and deepest portfolio of specialty starches and hydrocolloids — the foundation for creating the textures that are most appealing to consumers. From the perfect chew and satisfying crunch to indulgent creaminess and functional build-back capability, we have the solutions to turn any texture idea into reality.

NATURE-BASED
INGREDIENTS

Corn  Potato  Rice  Tapioca  Stevia  Pulses  Others

Master the
Texture EquationSM
to achieve your next
texture breakthrough
