INTRODUCTION

Dalian P. & W. Industrial Co., Ltd. was established in Dalian, Liaoning Province, China in April 2008, covering an area of 22,000 square meters. Initially, it focused on various disposable chopsticks, with 100% of its products exported to Japan. Later, with the cooperation of Japanese clients, it began manufacturing injection products.

After more than 20 years of development, it has raw material production bases in various places in Northeast and South China. Its products, in addition to disposable chopsticks, also include coffee stirrers, toothpicks, wooden boats, wooden plates, wooden boxes, wooden tableware, and injection tableware, etc.

The sales targets of its products have expanded from Japan to South Korea, Europe, America, and other regions.

Our company adheres to its consistent service spirit, providing high-quality products to support customers' different lifestyles.

We sincerely look forward to your cooperation.
