

Beijing Hengdu Zhiyuan Food Trading Co., Ltd.

Founded in Beijing in 2018, we are a modern enterprise dedicated to the R&D, integrated production and global trading of healthy fruit and vegetable food. With years of in-depth experience in the food industry, we are rooted in the capital, serve the whole country and reach out to the world.

Located in Fangshan District, Beijing, the company adheres to the core philosophy: Uphold Quality, Connect the Globe, Aim High, Forge Ahead Steadily. We focus on core product lines including freeze-dried fruits, VF vegetable & fruit crisps, freeze-dried ice cream and compound fruit and vegetable products. We own independent trademarks such as Chujian Rugu and Libu Fruits & Vegetables, with products applicable to diverse scenarios including fruit and vegetable raw materials and casual snacks.

Core Advantages

- Stable Production Capacity & Flexible Customization

We have integrated high-quality domestic FD and VF production bases, boasting large-scale production and flexible customization capabilities. We accept bulk industrial packaging orders as well as OEM/ODM customization to meet diverse client demands.

- Global Footprint & Mature Sales Channels

We have expanded overseas markets, and our products are sold to Central Asia, the Middle East, Southeast Asia, Australia and other regions. Long-term and stable partnerships have been established with clients across multiple countries.

- Professional Team & Efficient Services

Our core team has rich experience in food foreign trade and industrial operation, and is well-versed in domestic and international market regulations, certification standards and trade procedures. We provide one-stop services covering order negotiation, production supervision, logistics & customs clearance and after-sales support.

Corporate Vision

Guided by the mission of Bring healthy and delicious Chinese fruit and vegetable food to consumers worldwide, we stick to quality innovation, integrity management and win-win cooperation. We strive to become a renowned enterprise in the healthy fruit and vegetable food trade at home and abroad, promote premium Chinese food to the world, and contribute to the development of the global healthy food industry.
