

TRUE CAVIAR

Antonius Caviar, unlike most other caviar brands on the market, originates from a fish farm whose traditions date back to the 1960s. The idea for our caviar was born out of a true passion for fish, passed down from generation to generation.

ANTONIUS *Caviar*

From farm to table

Sustainable agriculture in harmony and with respect for nature.

From fish to tin, always fresh and unpasteurized

One tin one fish.

Family tradition, 60 years of experience

Knowledge and experience passed down from generation to generation.

Only from our own fish

High commitment and dedication resulting from true passion at every step of product creation.

Nutritional values

Source of valuable fatty acids, vitamins, and minerals.
