

About THE FLOURY CO., LTD.

We are Thai food manufacturer founded in 2018 which built on trust, consistency, and long-term collaboration. We work closely with our partners to develop products that balance great taste, reliable quality, and practical production. From crispy cookies to modern gummy products, every item is made with care and attention to detail. With food safety standards (GHPs and HACCP) and a collaborative mindset, we aim to grow alongside our partners—step by step, for the long run.

If you wish to do OEM, we can help you from the beginning of concept design, recipe development, and mass production.
