[Since 1989]

A forerunner of organic
agriculture in Taiwan

Introduction of CHEN JIAH JUANG

CHEN JIAH JUANG is founded on the concept of protecting ecological environment, cherishing land and natural resources, and rejecting toxic substances, emphasizing the return to the essence of healthy and safe ingredients, and strictly selecting organic fruits from self-owned farms or safe fruits from other Taiwan farms. In the self-owned factory or the commissioned factory, we adhere to the principle of less or even no additives to produce high-quality processed agricultural products, insist on the core value of "Agriculture-based, Simple and Sincere".

CHEN JIAH JUANG's own farm :

Natural Farming / Eco-Friendly Farming practiced since 1989 — no pesticides, chemical fertilizers, or herbicides.
Taiwan Organic Certification obtained since 1999.
The main crops are mulberry, passion fruit, red-pulp guava, lemon.

CHEN JIAH JUANG's own factory :

ISO22000, HACCP, Taiwan Organic Certification obtained.
The main products are juice, jam, fruit vinegar, rice vinegar.

CHEN JIAH JUANG's products :

The agricultural raw materials are 100% grown in Taiwan.
No added preservatives, artificial flavors or colors.
