BY SASANOKAWA SHUZO
IN FUKUSHIMA, JAPAN

TASTING YOUR DAY SPECIAL

Distillery Profile : Sasakawa is the oldest brewery in northeastern Japan, and in 1946 obtained its own whiskey manufacturing license and started distilling whiskey. Therefore, this distillery has a long history of producing small amounts of craft whiskey for the local market using high quality Koriyama water. The original Asaka Distillery in the mountains was revived in 2016 and took over the production of local Japanese whiskey. It is also famous for holding the barrels of the closed Hanyu Distillery and helping to launch the malt whiskey line for the present Chichibu distillery.
