WHO WE ARE

- ▶ Nutrinuts COCO is a Sri Lankan coconut products brand delivering premium coconut oils, ingredients, and value-added solutions to international markets.

From sourcing fresh coconuts to processing and packaging, we operate with a strong focus on quality, traceability, and consistency—meeting the expectations of modern global buyers and distributors.

▶ What Defines Us

- Based in Sri Lanka
- Integrated coconut product portfolio
- Export-focused production
- Quality-driven operations

WHAT WE BELIEVE

We believe that great coconut products begin at the source.

By combining Sri Lanka's natural coconut heritage with modern processing standards, we deliver products that are pure, reliable, and globally competitive.

Our philosophy is built on consistency, discipline, and long-term partnerships—ensuring dependable supply and quality for international buyers.
