

KARA COCONUT

kara®

KARA, THE COCONUT SPECIALIST

Kara, derives from Kelapa Rakyat, means “people’s coconut”.

As the Coconut Specialist, Kara takes pride in our product integrity by using carefully hand-picked fresh coconuts from our lush plantation in Indonesia.

Our involvement from seeding right down to processing allows us to monitor product integrity closely and efficiently. These stringent controls help to ensure that only the finest quality Kara products with the natural flavour of fresh coconuts are being produced.
