PREMIUM TASMANIAN

Only the finest — selective
and exceptionally fresh roe.

From the dive to the final pack,
our sea urchin roe is cared for by
skilled hands every step of the way,
harvested at the perfect time
to deliver fresh, rich flavor and
premium quality every time

QUALITY IS NEVER AN ACCIDENT

it's a promise.

We take pride in selecting the best roe
throughout the process and handling it
with care, so you enjoy only the very best
every time.

WE ARE ON A MISSION

From pest to purpose — for our
oceans, our communities, and our
future.

Salty Roe offers a premium selection of
fresh sea urchin products, along with a
newly launched range of value-added
produces, including sauces, dressings,
and dry products.
