

PROUDLY EXHIBITING AT
FINE FOODS AUSTRALIA

FEEL LIKE A MILLION BUCKS

Bucked Up is one of the fastest-growing performance nutrition brands in the United States — built on fully transparent labels, clinically dosed ingredients, and zero proprietary blends. New to Australia, we're bringing the same no-BS formulas that made us the top-selling pre-workout brand in America to the local market.

2013 BRAND FOUNDED	75,000+ RETAIL LOCATIONS	#1 SELLING PRE-WORKOUT, USA	Zero PROPRIETARY BLENDS
------------------------------	------------------------------------	--	-----------------------------------

OUR PRODUCT RANGE

PRE-WORKOUT Fully transparent, clinically dosed formulas — from high-stimulant to stim-free — built for energy, focus, and pump.	PROTEIN & RTDS Clear Whey Protein and ready-to-drink energy for performance and recovery, anywhere, anytime.	INTRA & AMINOS BCAA and amino formulas designed to support endurance and recovery during training.	CREATINE Standalone, clinically dosed creatine — so athletes control their own stack.
--	--	--	---
