Marathon Ginseng Gardens

Marathon Ginseng Gardens is a leading American Ginseng farm from Marathon County, Wisconsin, the Ginseng Capital of America where 95% of American Ginseng is grown. We specialize in the production, preservation, distribution, research and education of Wisconsin Ginseng. It is founded by partners lead by Ming Tao Jiang, MD, PhD in 2010.

Marathon Ginseng takes pride providing premium products with personalized health consultation to our members across the globe. Our premium brand, Monk Garden Ginseng, has earned the trust and confidence of our global members for its exceptional aroma and health benefits. It has been presented to the White House and other global VIPs.
