wider community.

PLANT POWERED

Our recipes are created with real plants,  
bringing you all of the benefits.

LOCALLY SOURCED

We source ethical and sustainable  
ingredients from local wild harvesters  
and farmers.

AUTHENTIC

Together with talented Indigenous artists,  
we bring to life cultural stories representing  
our native plants using our bottles as the canvas.

# A HEALTHY CHOICE

## FOR ANY OCCASION

We created these sophisticated drinks channeling our Ancestors knowledge of these ancient ingredients.

We use only the finest ingredients, with no artificial additives. It's the perfect way to quench your thirst without compromise.

### LEMON MYRTLE & NATIVE BLOSSOM

This refreshing sparkling water is infused with the rich flavours of Australian natives. The luscious blend of zesty Lemon Myrtle, complemented with the sweetness of Native Blossoms, delivers a delicate yet invigorating taste.

### DAVIDSON PLUM & WARATAH

Infused with the natural sour notes of Davidson Plum & the delicate floral sweetness of Waratah, this artisanal blend is carefully created to provide a perfect balance of flavours.

### QUANDONG & NATIVE GINGER

This refreshing sparkling water is subtly infused with quandong and native ginger, these two ingredients combine to create a unique taste that is both smooth and crisp.

### DESERT LIME & RIVER MINT

This naturally flavoured sparkling water features the invigorating tang of desert limes balanced by the soothing cool of rivermint. It's a taste of pure refreshment, inspired by the untamed beauty of Australia.
