A specialized seafood manufacturing company established in 2012, Goremi Co., Ltd. manufactures and distributes fresh, high-quality processed seafood using a variety of seafood from around the world. We hope Goremi will give you a chance to experience the charm of various seafood dishes that you have never tasted before.

Beyond Seafood Concepts.

Hygiene and Quality management

Here at Goremi, we manufacture all products through strict quality control and hygiene management under the philosophy of 'always the same taste and quality.'

In order to provide consumers with reliable products, we have acquired hygiene certifications, such as HACCP and FSSC22000 quality management system, for all processed seafood products, and we are always striving to manufacture products that consumers can trust and feel at ease.

Sustainable Ocean

Here at Goremi, we are doing our best to protect the ocean's precious resources and practice sustainable fishing. Based on a deep understanding and sense of responsibility for the environment, we have acquired various international environmental certifications such as MSC and ASC, establishing ourselves as a trusted company.

We promise a better tomorrow for our customers, and we will continue our efforts to protect the earth and the ocean.

Exports and overseas certifications / History

Goremi's products were recognized for their high quality and excellence, receiving the One-Star Award at the 2019 and 2022 competitions by the International Taste Institute in Brussels. With our fresh, high-quality products, we are expanding into the global market in 10 countries, including the United States, Australia, Thailand, Canada, Japan, and Hong Kong.

We are proud that Goremi products are enjoyed worldwide, and we will continue sharing the taste of Goremi with more countries.
