

A legacy of Trust & Purity

www.kanaiyagroup.com

Group of companies

Founded in 1962 by Mr. Kantilal Pransukhram Nayak at the Unjha APMC Market the heart of India's spice trade KP Group has evolved from a small trading firm into a diversified agro export conglomerate. Rooted in family values and driven by innovation, the Group upholds its enduring legacy through excellence in sourcing, processing, and global partnerships.

Established in 1994 under the leadership of Mr. Ashvin Nayak, Kanaiya Exports Pvt. Ltd. has evolved into a globally recognized exporter of psyllium and premium Indian spices. Built on a foundation of trust, integrity, and customer commitment, the company provides end-to-end sourcing, processing, and export solutions with a focus on quality, consistency and sustainability. Today, Kanaiya Exports proudly serves partners in over 100 countries, continuing to uphold the legacy of excellence and innovation.

Based in the UAE, KP Foods LLC extends the legacy of the KP Group India into global spice sourcing. With a strong network across continents, the company brings the finest spices and ingredients from around the world to deliver exceptional quality and authentic taste.

A new chapter from Kanaiya Exports Pvt. Ltd., KP & Sons focuses on premium spice processing driven by innovation, integrity, and expertise. With modern technology and sustainable sourcing, the company upholds the founder's legacy of quality, purity, and global excellence.

Activ Organics is committed to advancing sustainable agriculture through certified organic and IPM-based (Integrated Pest Management) farming practices. Based in Rajasthan, India, the initiative partners directly with farmers to promote traceable, eco-friendly, and residue free cultivation. By empowering farming communities with improved agricultural techniques and assured buyback arrangements, Activ Organics is building a more responsible, transparent, and sustainable agri-value chain.

Infrastructure

Our BRC certified processing units feature efficient automation, integrated quality-control labs, validated sterilization systems, and secure packaging lines.

Our Accreditations

Sustainability & Responsibility

At Kanaiya Exports, sustainability means being responsible custodians of the value chain from sourcing raw material directly from farmers and India's APMC markets to delivering safe, compliant and traceable commodities to global partners. As processors & exporters, we focus on clean operations, efficient resource use, community responsibility and transparent trade practices.
