

Production Audio/Video Technology Pty. Ltd, (PAVT), is a proudly Australian owned and operated importer/distributor of high end professional Audio and Video equipment. Established over 40 years ago, and born out of broadcast and live production, PAVT utilizes its historic values and disciplines to deliver solution driven outcomes. For our team, the customer experience all the way through the chain to end customer, consultants, integrators and resellers must feel supported. Our highly experienced and product trained technical team are equipped to deliver these outcomes.
