

Forerunner
Yesterday. Today. Tomorrow.

Switching sensors

- Optical sensors
- Inductive switches
- Capacitive sensors
- Ultrasonic sensors
- Fiber optic sensors
- Forked sensors
- Light curtains
- Special sensors

[weblink](#)

Identification

- Bar code identification
- 2D code identification
- RF identification

[weblink](#)

Measuring sensors

- Distance sensors
- Sensors for positioning
- 3D sensors
- Light curtains
- Bar code positioning systems
- Forked sensors

[weblink](#)

Data transmission

- Optical data transmission systems

[weblink](#)

Industrial image processing

- Light section sensors
- Smart camera

[weblink](#)

Safety

- Safety laser scanners
- Safety light curtains
- Single and multiple light beam safety devices
- Safety locking devices, switches and proximity sensors
- Safety PLCs and relays
- Machine safety services

[weblink](#)

Network and connection technology

- Connection technology
- Modular connection units

[weblink](#)

Accessories and supplementary products

- Signalling devices
- Mounting systems
- Reflectors

[weblink](#)

TR Electronic

- Rotary encoders
- Linear encoders
- SIL rated encoders
- Motor and control technology

[weblink](#)

Qlight

- Tower lights
- Signal beacons
- Electronic sounder combinations
- Explosion-proof LED warning lights (IECEX)

[weblink](#)

Forerunner Yesterday. Today. Tomorrow.

With curiosity and determination, we – the Sensor People – have been innovators for technological milestones in industrial automation for more than 60 years. The success of our customers is what drives us. Yesterday. Today. Tomorrow.

Pizzato

- Position switches
- Safety switches
- Magnetic safety sensors
- Hinged switches
- Safety handles
- Foot switches
- Rope safety switches
- Push buttons and housings

[weblink](#)

Pinnacle

- Safety mats made to order

[weblink](#)

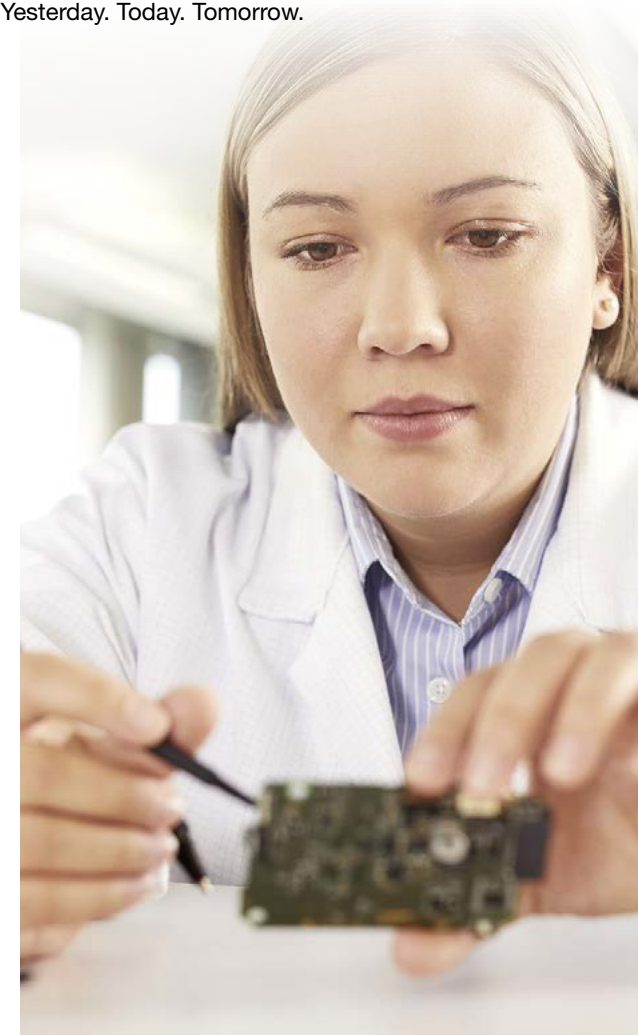

Haake

- Trapped key interlocks
- Bumper and edge strips
- Safety valve interlocks

[weblink](#)
