

DNV: YOUR TRUSTED PARTNER IN ASSURANCE

DNV is an independent assurance and risk management provider operating in more than 100 countries, with the purpose of safeguarding life, property and the environment.

From certifying food safety and supply chains to supporting compliance with international standards, DNV helps food and beverage companies manage regulatory requirements, ensure product integrity, and build trust with customers and stakeholders.

As a trusted voice for many of the world's most successful organisations, DNV combines broad experience with deep technical expertise to advance food safety, quality, and sustainable performance across the entire value chain.

DNV Business Assurance offers a comprehensive portfolio of GFSI-recognised audit programs, including ISO 9001, ISO 14001, ISO 45001, ISO 22000, SQF, BRCGS, FSSC 22000, and FAMI-QS. We also provide audits and verification services for HACCP, Costco, Aldi, and Food Act Victoria requirements. In addition, DNV has a strong focus on seafood certification, including MSC and ASC fisheries and aquaculture farms across Australia and New Zealand.
