

PROCESSOR AND INDUSTRY

At Bunzl, our focus is on adding value to our customers through simplifying the procurement of essential consumables. What this means for our customers is that instead of having numerous suppliers to deal with, resulting in numerous invoices and deliveries, they only deal with one. Across Australia and New Zealand, Bunzl offers support with Customer Service, Product, Operations, Digital and IT, with teams who are constantly striving for continuous improvement.

Locations – Bunzl Australia and New Zealand offers a national network of over 50 warehouse and office facilities around Australia and three in New Zealand.

What We Do – Bunzl is a trusted supply partner in the ANZ Food Processor and Industrial packaging market. Our focus is on emerging trends and sustainable solutions providing a core range of Safety, PPE, Washroom, processing and packaging consumables with specific market and product expertise. Our specialisation and innovation improves your business's productivity and safety.
