

Dura Vision Lighting

A Division of
Ultra Vision Lighting

Australian Made Lighting Built for Food Production Environments

Built for Food Production

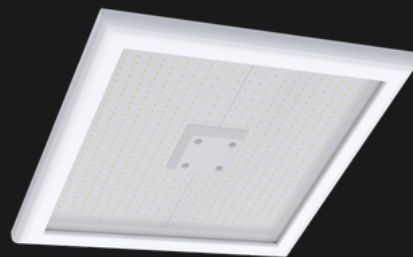

- Chemical washdowns & harsh environments
- Moisture, dust & temperature extremes
- Hygiene & compliance requirements
- Reliable performance where others fail

Why Dura Vision

- Aussie Made & Designed
- Custom-built, not off-the-shelf
- Built for hygiene-critical environments
- Performance-driven lighting

Where We Work

Farms • Processing • Packaging • Cold Storage • Washdown Areas

Better lighting improves visibility, efficiency, and performance on the line
